Campaign for a National Care, Support and Independent Living Service

HIDDEN VOICES:2 Older People

**PUBLIC ZOOM MEETING
THURSDAY 18th June 6.30-8pm**

JOIN US for this second in a series on Hidden Voices to help shine a spotlight on older people, many of whose voices are hidden, crushed or brushed aside and explore how we can turn this on its head with

- Neil Duncan Jordan, Labour MP for Poole, member of the APPG for Older People and ex Unison regional officer
- Alisoun Milne, Emeritus Professor in Social Gerontology and Social Work at Kent University on 'the neo-liberal market and harms to older people'
- Marianne Lynch on the struggle to get care and support for her father
- Gordon Peters, ex-director of Social Care on self-organising around mild cognitive impairment
- Councillor David Jenkins, chair of the Leeds Age Friendly Board on building age friendly communities
